The proposed public presentation by a University\_Chaplain is to go ahead at the end of September or early October

***Treasurer***                      ***Brian Heap***                      Include report on action plan development  
The cost of the coach to Fernyhalgh indicates individuals will have to pay £5,50 each .  
The coach has been booked and it is essential that all tickets for transport are sold.  
Subscriptions are now due. Concern was expressed at our inability to recruit new younger members with this high subscription of dues.

***Deputy GK***                      ***Paul Cain***                      Include report on action plan development  
The DGK expressed his disappointment that it was so difficult to get young men involved with the work of the KSC. It was decided to contact Province to ask them to bring their marketing team to the Parish of St. Anne's and St. Joseph's. BHo to contact John Kenyon the PGK to provide the speaker.

***Secretary***                      ***John McManus***                      Include report on action plan development  
It was reported on the need to ensure the synopsis of our minutes is placed in the churches in this area (7 in all). David Richards puts it on our website, Colin Yates puts it on St. Anne's and St. Joseph's web site. PM already sends them to the Parish Priests at St. Mary's Oswaldtwistle and St Wulstan's Gt. Harwood. Reference was made to the Mount Carmel leaflet which showed the Easter KSC programme.

***Chancellor***                      ***Paul Toman***                      Include report on action plan development  
It was reported the Mrs Jackson is now out of hospital and is living at home.  
Mrs Smith now resides at the Woodland home and sent us a card thanking us for the Mass donation. Mrs Conway is still having trouble with her breathing and a brother

now takes her from the church to her home after Mass. It was reported that Ms Annette Darlow is still in need to help which could be a long term problem.

**Technology Officer David Richard** Include report on action plan development  
No report – apologies sent.

**Grand Knight Bernard Holden** Include report on action plan development  
Two designs of KSC posters were shown to brothers and the one with the 100 years content was chosen as the one we should use. The information on the poster for local contact was agreed. BHo to contact \head Office for a supply (they are out of print at the moment but Supreme have order more) Samples of the proposed tickets for Fernyhalgh was shown and agreed. The new marketing leaflet was passed round and the contact was agreed as returned to the Parish Priest.

It was reported that the Provincial meeting for September will take place in the Marian Room in St Anne's.

**Debate** Regarding the emails from Peer Greenhalgh it was agreed to support him but it will be difficult to treat our letter as new and not just repeating what Peter had written. General agreement was given, as the cost of subscriptions to Head Office is making recruitment of young men with young families more difficult

**AOB** - none

**Date of next meeting** Tuesday July 16<sup>th</sup> in the Marian Room in St. Anne's

**Closing of meeting** The meeting closed with prayers for our sick widows and our deceased brothers.
